*Legal Reform in Addressing Technological, Social, and Economic Challenges:  
Strengthening Protection, Enforcement, and Certainty in Contemporary Law*

---

## SUMMARY

*This edition examines legal reform in response to technological, social, and economic challenges. It discusses the impact of legal technology on advocacy services, the urgency of enforcing medical malpractice laws, and intellectual property protection for social media content. Other topics include inheritance rights for foreign citizen children, the sociological impact of interfaith marriage on children, and legal protections for female commuters against sexual harassment. It also covers legal certainty in employee terminations during the COVID-19 pandemic and the role of state officials' moral conduct in shaping legal compliance in Indonesia. These articles highlight the need for adaptive legal reforms.*
